

### **The Green Initiative Fund Referendum**

The Green Initiative Fund (TGIF) is current a mandatory student fee of \$4.80 per quarter to raise funds for projects focused on environmental sustainability at UCLA. It is scheduled to be collected each quarter through Spring 2018. Shall the Undergraduate Students Association ensure the continuity of student sustainability initiatives by removing the expiration date and continuing to collect this fee indefinitely?

YES	6874	69.8%
NO	2973	30.2%
